**Isaiah 61:1-3**

1 The Spirit of Lord Yahweh is on me for Yahweh has anointed me. He has sent me to bring the news to the afflicted, to soothe the broken-hearted,  
2 to proclaim liberty to captives, release to those in prison, to proclaim a year of favour from Yahweh and a day of vengeance for our god, to comfort all who mourn  
3 (to give to Zion's mourners), to give them for ashes a garland, for mourning-dress, the oil of gladness, for despondency, festal attire; and they will be called 'terebinths of saving justice', planted by Yahweh to glorify him.

**Proverbs**

**Chapter 14 - Proverbs of Solomon**

The Book of Proverbs is an important section of the Word of God. Here we find the wisdom of God distilled into small sentences. We see that they fit individuals who are mentioned in the Holy Bible. Also they fit folk whom we know, and they fit you and me.

14:2 - This tells us that our walk will reveal our relationship with God. We are told by the apostle John, "He that saith he abideth in him ought himself also so to walk, even as he walked" (1 John 2:6). Our walk should be in obedience to the Father just as the walk of the Lord Jesus was.

14:5 - The Lord Jesus has been called the faithful and true witness. That is the kind of witness we ought to be, too.

14:9 - Jezebel is a prime example in the Word of God of one who made "a mock at sin." We are told to turn away from people who do that and have nothing to do with them.

14:24 - The riches here are not necessarily material riches. There are a great many happy people who are rich, not in the things of this life, but in those things that are spiritual. That is the most important of all.

14:25 - The Lord Jesus said it this way: "...if the blind lead the blind, both shall fall into the ditch" (Matt.15:14).

14:34 - I wish this verse were inscribed over the United Nations instead of the verse about beating their swords into plowshares, which will not happen until Christ reigns on this earth. When Christ returns, then they will learn that righteousness does exalt a nation. Today the nations do not believe that righteousness exalts them, but history bears testimony to it. The pathway of history is strewn with the wrecks, the debris, and the ruins of nations that didn't follow this principle. "Sin is a reproach to any people."
